SHARED DECISION MAKING – BY SIGNING THIS DOCUMENT, YOU CERTIFY THAT:

- The patient has participated in a discussion about the potential risks and benefits of CT Lung Cancer Screening.
- The patient was counseled on the importance of adherence to annual screening, impact of comorbidities, and ability/willingness to undergo diagnosis and treatment.
- The patient participated in a shared decision making discussion including the importance of smoking cessation and/or maintaining smoking abstinence, including the offer of Medicare-covered tobacco cessation counseling services, if applicable.
- The patient is asymptomatic (no symptoms such as fever, chest pain, new shortness of breath, new or changing cough, coughing up blood or unexplained significant weight loss).

☐ **Patient meets screening criteria**
